DOWNEY
MORTGAGE & FINANCIAL

www.downeymf.ca

“Sometimes the little things make the biggest difference!
An interest rate differential of **1.5%** on a 5 year fixed mortgage. Means you could ***Save Over \$19,000+** during the term of your mortgage using our services.”

- DMF Research & Accounting Department

*Based on an average 1.49% five year fixed mortgage discount, differential that DMF has access to on a 5%, fixed term.
